11 December 1969

MEMORANDUM FOR: Director of Training

THROUGH : Chief, Operations School

SUBJECT : Course Report, Counterintelligence  
Operations Course, No. 1-70, dated  
24 November - 5 December 1969

1. Administrative Data:

a. This was the sixth presentation of the Counterintelligence Operations Course in its two-week format. The course was held in Room 1A-07, Headquarters Building with the exception of 3 December 1969 when the class spent the entire day at South Building attending TSD presentations.

b. There were eleven students in the course. One student attended the first week only because his office unexpectedly needed him during the second week. The class roster with grade range is enclosed as Attachment A.

2. Course Content:

a. The instructional period was nine days due to the Thanksgiving Holiday falling in the first week. Each student presented an assigned Case History which exemplified Counterintelligence lessons.

b. Mr. Samuel Papich, the FBI Liaison Officer with our agency was the only outside speaker. He gave his usual fine talk on the FBI and its relationships with our agency.

c. The course schedule is enclosed as Attachment B.

3. Comments:

a. The students enjoyed the course as reflected by their written critiques. Individual training reports with ratings were sent to the appropriate training officers.

b. The next Counterintelligence Operations Course is tentatively scheduled for 2 - 13 March 1970. The new Chief Instructor of this course will be [REDACTED] monitored and participated in this running of the course. This gave him the opportunity to meet and to evaluate the effectiveness of the guest lecturers in the course.
